

Richard Yoder High School Scholar-Athlete Award

January 2, 2019

Dear Nominator,

The Chester County Sports Hall of Fame (CCSHOF) encourages excellence in academics, athletics, and leadership. As part of our mission to recognize outstanding high school scholar-athletes we sponsor the *Richard B. Yoder High School Scholar-Athlete Award*, awarded annually to one graduating Chester County female scholar-athlete and one male scholar-athlete. Named in honor of Richard Yoder, the award remembers a life-long Chester County resident. Dick Yoder was an outstanding athlete at B. Reed Henderson High School and West Chester University, was a distinguished professor, coach, and athletic director at West Chester University, and was a generous public servant as mayor of West Chester and communitarian for Chester County. Dick was a founding member and inductee of the Chester County Sports Hall of Fame. He was especially proud of the scholar-athletes who brought distinction to our region.

The highlights of the Yoder Award include:

- Any Chester County Secondary School may nominate one female and one male scholar-athlete for the award (nomination form below).
- One female and one male will be chosen from all nominated applicants.
